Dear Sir:

LIZARD CREEK SMALL HYDRO PROJECT - NOTICE OF COMMENCEMENT

On behalf of Lizard Creek Power Inc. we are pleased to contact you regarding the commencement of the Class EA process for the proposed Lizard Creek Small Hydro project. This project will be subject to Class Environmental Assessment for Waterpower Projects, pursuant to the Environmental Assessment Act.

Please find enclosed the following:

- Public Consultation and Aboriginal Engagement Plan (including the Commencement Meeting Notice, Agenda Package and Minutes; the Notice of Commencement; and Letters Sent to First Nations)
- Project Description
- Matrix of Potential Effects
- Notice of the Public Information Centre

We invite all interested agencies to participate in the process and offer their comments, concerns and requests.

As part of the Class Environmental EA, a list of potential effects to be examined is to be compiled by the proponent under the consultation of the relevant agencies. A matrix of potential effects is provided within the Class EA as a basis, which was reviewed at the commencement meeting by all attendees. Further to that we wish to request the input of interested agencies that were not in attendance. Please note the items that your agency will be interested in having evaluated. If there is something you feel should be evaluated but is not on the list, please feel free to add to the list.

We would also like to extend an invitation to all interested agencies to attend the Public Information Centre, which will be held as follows:

Tuesday October 13 th , 2009	Township of the Northshore - Council Chamber
Session #1: 3:00 to 5:00 p.m.	1385 Hwy. 17, P.O. Box 108
Session #2: 7:00 to 9:00 p.m.	Algoma Mills, ON P0R 1A0

We invite you to participate in the process and offer your comments. If you require any further information please do not hesitate to contact the undersigned at (905) 763 2322 x 2234, pgarel@ibigroup.com, or at the address above.

Yours truly,

IBI Group
